# Match Day as a Bradford City Mascot

**Give your child a day to remember with Bradford City's unforgettable mascot package.**

**You will be in the prime position to watch your child's dreams come true and walk out alongside some of the Football League's finest players. In front of a packed Valley Parade, your child will be at the heart of the pre-match build-up and excitement.**

**This pack contains full details of a day in the life of an official Bradford City mascot. Exciting moments include meeting and greeting our first team players as they arrive, taking a penalty against our very own Club Mascot, Billy Bantam, on the pitch and taking a seat as a substitute in the 'Home' dugout and much much more. These moments will all be captured by our official club photographer.**

**All eyes will be on the mascots as they take part in pre-match activities and proudly lead the Bantams out ready for kick off. One of many highlights during the day is enjoying the roar of the crowd whilst taking part in the match build up, something they will cherish forever.**

**Your child's name will also feature in our match day programme and on a team line up on our new big LED screen. They will also join both team captains and officials just before kick-off and have his/her picture taken in the centre circle in front of 18,500+ fellow fans.**

**Our Match Day Mascot package truly is a memorable, once in a life time opportunity.**
